Dear Friends,

Another year at Glenville's Maalwyck Park brought us another fantastic Oktoberfest event for our community! The generosity of our sponsors continued to offer the event as a FREE event! We are now planning for our 9th year and hope to leverage our 501(c)3 tax status with our mission to continue to showcase Glenville as a great place to work, play and live. We invite you to take the opportunity to market your organization at this high energy and popular celebration. If you choose sponsorship, depending upon the level you choose, you can expect any or all of the following:

- Your logo in print articles / advertisements featured in publications such as Your Hometown, Daily Gazette
- A presence on the Glenville Oktoberfest official website (with hyperlink)
- Exposure via our use of social media for event / sponsor promotion via our Glenville Oktoberfest Facebook site
- Your logo on hundreds of event t-shirts worn by sponsors and volunteers
- An audience of thousands of potential customers you can connect with from your own vendor booth
- New feature event – wiener dog races / dachshund dash!
- Your logo on flyers that will be distributed locally

Maalwyck Park offers 60 acres owned and maintained by the Town of Glenville. The easy access from I-890 and the Village of Scotia has further expanded our visitors.

This Oktoberfest promises to bring more vendors, more activities, more guests and more media hype. This packet includes sponsorship and advertising opportunities to fit every budget. If you are interested in participating as a vendor, please visit the website for more information. Tracy Conley is our Sponsorship Coordinator and her contact information is to the left. Feel free to call any of the committee members with any questions you have.

We look forward to another successful event made possible by your support.

Sincerely,

David and Heather

The Glenville Business and Professional Association is a 501(c)3 organization.

Glenville Oktoberfest c/o GBPA, P.O. Box 2728, Glenville, New York 12325
